L. and R.

To U. S. Dept. of Agriculture  
Bureau of Plant Industry  
Horticultural Investigation  
Wash. D. C.

We take this opportunity to thank our customers for their kind patronage and letters of commendation of our stock and treatment. We guarantee all our stock true to name, healthy, and to grow if cared for upon arrival and after planting. We have always cheerfully replaced or refunded on any that proved otherwise, and will continue to do so. Notify us if anything is unsatisfactory when received, and we will be only too glad to adjust matters to your satisfaction.

Our aim is to list only the most meritorious varieties, and to send out stock full of vitality. A general idea of their worth may be gleaned from their ratings. Your problems are our problems and we welcome letters of inquiry as to growing or selection.

This year we are listing many of the recent introductions in plants, grown in three inch pots (we believe a smaller pot injurious to a growing plant of the age we send out). Our plants are grown slowly and hardened off prior to shipping. Rooted cuttings will be sent out at  $\frac{4}{5}$  the price of plants, where plants are listed, except on 1935 originations. Our rooted cuttings are really small plants, shipped with soil removed. Directions for their care sent with all rooted cutting orders. Unless otherwise ordered, rooted cuttings will be shipped about May 1st, tubers May 10th, plants May 25th. On orders of less than \$1.00, send 10c for postage. Plants sent more than 500 miles, include 25c for special handling.

We recommend spraying at least once a week with Red Arrow.

## DAHLIAS

Ratings on dahlias are our own, based on results obtained in our gardens. These ratings are apt to change, as our ideas of dahlia perfection changes; also some dahlias do not show their true worth the first year, while others show some faults not apparent in more favorable seasons.

Varieties marked \* subject to a discount of 50% under the following conditions: 1—When order totals \$3.00 or more net. 2—Orders under \$3.00, first tuber net price, additional tubers of the same or other varieties 50%. Example, first tuber 50c, two tubers 75c, three tubers \$1.00, etc., or one tuber \$1.00, two tubers \$1.50, three tubers \$2.00, etc. On orders including different priced varieties the highest priced tuber will be charged at net. Example, one tuber \$1.00, two additional 75c tubers \$1.75, and two 50c varieties \$2.25, or a total of five tubers for \$2.25.

On orders of \$5 or more in plants exclusive of 1935 originations, select 20% additional plants.

Varieties American Legion and Imperial Pink are not for sale, but will be included for the asking, in orders amounting to \$3.00 or more. These two varieties are not guaranteed in any way, as in our gardens they have produced flowers too late for us to judge their merits.
